1980

Becky Hattery

Becky,

I cannot tell you how much I have enjoyed knowing you this year. I think you are one of the sweetest and nicest girls I know. You have made this year at Northwest one to remember. You did such a good job in the play you were in (that I got to see.) You are a very talented person who I am sure will go far in life. I am so proud for you when you won the drama award. I will miss you tremendously when you graduate but I know you will do a great deal for the outside world - just as you did for Northwest. I hope we will get to see each other this summer and in the years to come. Good Luck and best wishes in the future.

Love Always,

Chuck

Becky,

How can I say this. You have left me with so many memories to cherish I don't think I could think of them all. The bus will not be the same without you. Don't scare the world too bad but do your best.

Friends Forever,
Good Luck
and Good Bless

Cindy
Druze
(quiet one of the family)

Becky, well, what can I say? I am sure I can find something to say to such a sweet and talented young lady. Ok, Becky, you are a very sweet and talented young lady and your acting is great! "Ja, Ja!" It was great being in your Psychology class! I am going to miss seeing your wonderful smile and funny ways! Not the "uh-oh" funny ways - the "ha-ha" funny ways! But of course, I will see you at church! Remember me still back here next year! You can't fool me, Becky Hatley, I know you are going to miss the old gang at Northurst! Right? I know I was! I hope the future has its very special place reserved for you. Good luck in anything that you do in the future. I hope to see you more this summer than I did last summer! You are going to need a ruler to read this! Best wishes and May God bless you and keep you in his guiding hand and lead you through any troublesome times that you may have! Hope to see you at church! Take care and stay out of trouble (if possible!) Remember, I am still a neighbor but I am a friend and sis at heart!

I don't draw as good as you either!

Give her a lot to offer!

Friends
and
Sisters
Always

DYNAMIS 1980

Volume XIV

Northwest Cabarrus High School

Concord, North Carolina

"Loving is only giving
And it seems that the living goes on a lifetime
And the living is not an ordinary thing,
The pain and pleasure make it a rough time
The more you live, you bind yourself
The more you give, you find yourself
But in living and giving you are free."

Author Unknown

"YESTERDAY
IS GONE,
FORGET IT;
TODAY
IS HERE,
USE IT;
TOMORROW
NEVER COMES."

CLASS OF 1968

Because your love and support are always there when needed,
the 1980 DYNAMIS is dedicated to you, Mrs. Grace Byers.

Cool Change

If there's one thing in my life that's missing
It's the time that I spend alone
Selling on the cool and bright clear water
There's lots of these friendly people
They're showing me ways to go
But I never want to lose their inspiration

Time for a cool change
I know that it's time for a cool change
And now that my life is so pre-arranged
I know that it's time for a cool change

Well, I was born in the sign of water
And it's there that I feel my best
The albatross and the whales, they are my brothers
And it's kind of a special feeling
When you're out on the sea alone
Staring at the full moon like a lover

Time for a cool change
I know that it's time for a cool change
And now that my life is so pre-arranged
I know that it's time for a cool change

I've never been romantic
And sometimes I don't care
I know it may sound selfish
But let me breathe the air

If there's one thing in my life that's missing
It's the time that I spend alone
Selling on the cool and bright clear water
It's kind of a special feeling
Out on the sea alone
Staring at the full moon like a lover

Time for a cool change
I know that it's time for a cool change
And now that my life is so pre-arranged
I know that it's time for a cool change

Homecoming "79"

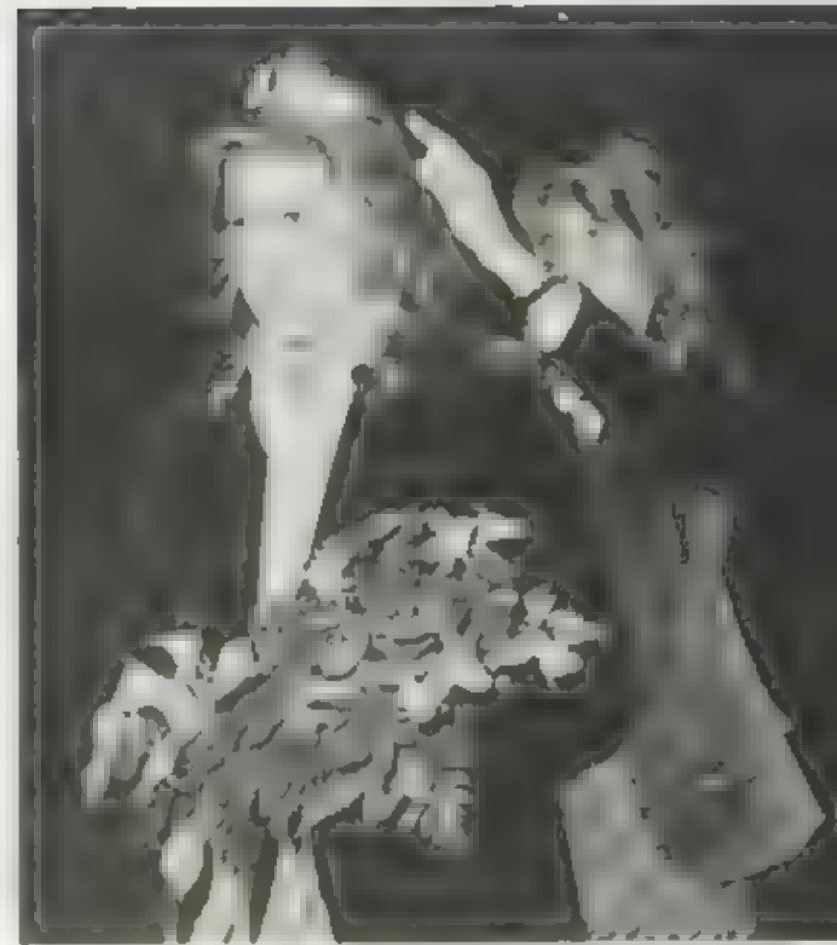

Homecoming 1979 was held on October 26. The theme this year was "A NIGHT ON BROADWAY". Greg Stowe, Charlotte Bryant, and Tracie Edwards presented a skit in which a director was trying to find a girl to star in a major production. His choice was between 3 lovely girls of the homecoming court.

The moment everyone had waited for was the crowning of Miss Sharon Sellers. She was crowned by Miss Lou Ann Perry, Miss Gridiron 1978.

Desiree Ledwell was chosen as Junior Attendant and Mari Ann Christy was chosen as Freshman-Sophomore Attendant.

After a victorious win over Albemarle, ZAK provided the music for the annual homecoming dance in the gym.

The Homecoming activities were sponsored by the Varsity Cheerleaders.

Under the leadership of Mr. Bernie A. Edwards for the past two years, Northwest Cabarrus has seen many changes. Mr. Edwards went to Catawba College and taught at Northwest for three years. In 1970 he became Assistant Principal and in 1978 he became Principal. The Northwest students are fortunate in having a principal who takes so much interest in them and in their school. Many thanks to Mr. Edwards for all the hard work and dedication to the Trojan Spirit.

With a winning attitude, the 1979 Varsity Football Team went on the field determined to succeed. These Men of Troy, with great athletic ability and tremendous effort, always gave 100%.

The Trojans came a long way from their expected fourth place finish in the SPC race. The season opened with a defeat from Kannapolis. But the Trojans pulled together and won the next four games against Concord, Mt. Pleasant, North Stanly, and Sun Valley. The Trojans streak was broken when they were beaten by the rival Vikings. Once again the Trojans won their next four games. They defeated South Rowan in double overtime. Albermarle, East Rowan, and Forest Hills were also stopped by the Trojans.

Much pride, hard work, and spirit were put forth this year by the Men of Troy and their brilliant coaches. The Trojan Team had an outstanding season with an 8-2 record. As a result of a winning season the NCHS Varsity Football Team became the 1979 SPC CHAMPIONS!

On November 1, 1979, twelve girls met out on the basketball court to begin a new season of practices, blisters, sore muscles, and lots of sweating. Each girl had determination and athletic ability. Together they put forth tremendous effort and teamwork

The Dynamis staff appreciates the long hours of hard work and the winning season put out. We thank these Ladies of Troy who have brought back excitement and pride to the game of girls' basketball at NCHS

The 1980 Varsity Boys' Basketball team came through with another shining season. Under the direction of Coach Bob Angley, the Trojans finished the season with a 16-4 overall record and placed second in the South Piedmont Conference behind very competitive South Rowan.

The offense was directed by either Senior Glenn Jackson or Junior Jeff Beaver. While Juniors Scott Thrasher and Wimp Scott dumped and dunked in points under the boards, Senior Todd Ware awed spectators with his outside shooting. Jackson led in assists and Scott and Thrasher brought down the rebounds. Senior Joey Untz and Sophomore Juan Cunningham significantly aided in defense, stealing the ball often.

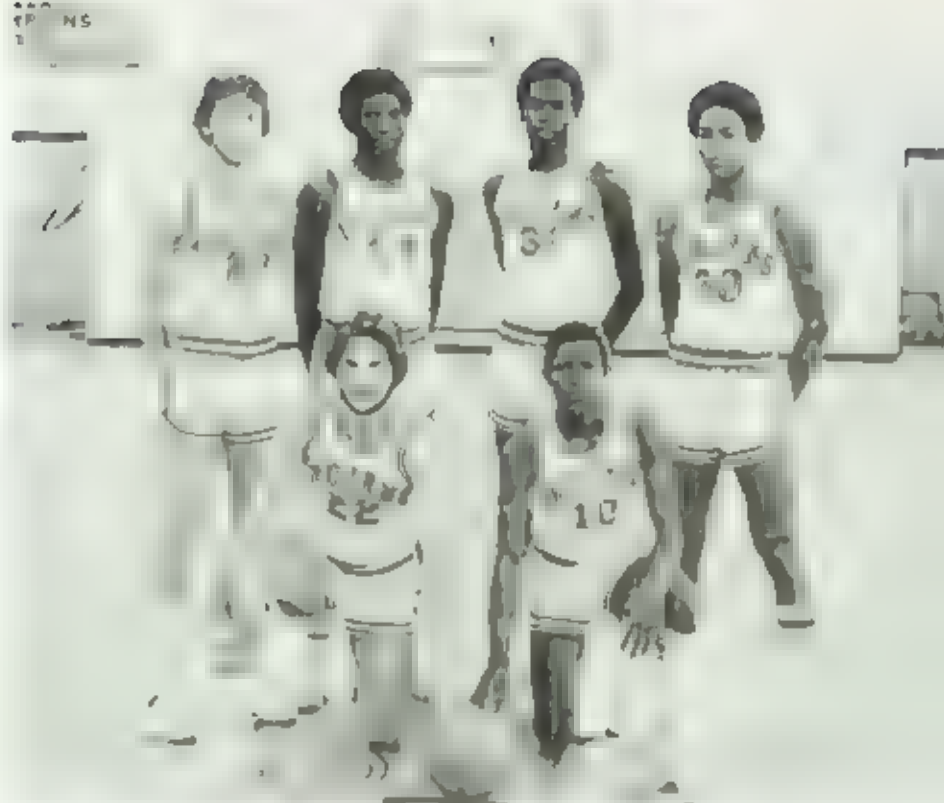

Some very close games and dunks by Scott Thrasher and Wimp Scott kept the fans on the edge of their seat.

With three of the five starters returning, next year should prove to be very promising.

We are very proud of this year's Trojan team and hope the tradition of winning basketball continues at Northwest. CONGRATULATIONS!

TEXTILES: WHERE PEOPLE MAKE THE DIFFERENCE

Many county fairs are alive and well. They are truly people events, drawing many folks from smaller towns and cities, agriculture and industry.

The Cabarrus and Rowan County Fairs in North Carolina attract many textile people each year. So Cannon provides a down-home exhibit to meet and greet people in these two counties where most of our manufacturing plants are located.

Staffed by plant supervisors and other management people, the Cannon exhibit attracts many visitors, including Cannon

employees and their families. It is a happy time for everyone.

A home-grown textile pioneer and industrial leader, Cannon is recognized for innovative textile technology, market-oriented product research and development and fashion leadership in home textiles.

So why this emphasis on reaching people? Because at Cannon — and in textiles — people make the difference. It takes people with many skills and talents to operate our modern textile company.
